

§ 4022.4

29 CFR Ch. XL (7–1–11 Edition)

§ 4022.4 Entitlement to a benefit.

(a) A participant or his surviving beneficiary is entitled to a benefit if under the provisions of a plan:

(1) The benefit was in pay status on the date of the termination of the plan.

(2) A benefit payable at normal retirement age is an optional form of payment to the benefit otherwise payable at such age and the participant elected the benefit before the termination date of the plan.

(3) Except for a benefit described in paragraph (a)(2) of this section, before the termination date (or on or before the termination date, in the case of a requirement that a participant attain a particular age, earn a particular amount of service, become disabled, or die) the participant had satisfied the conditions of the plan necessary to establish the right to receive the benefit prior to such date (prior to or on such date, in the case of a requirement that a participant attain a particular age, earn a particular amount of service, become disabled, or die) other than application for the benefit, satisfaction of a waiting period described in the plan, or retirement; or

(4) Absent an election by the participant, the benefit would be payable upon retirement.

(5) In the case of a benefit that returns all or a portion of a participant's accumulated mandatory employee contributions upon death, the participant (or beneficiary) had satisfied the conditions of the plan necessary to establish the right to the benefit other than death or designation of a beneficiary.

(b) If none of the conditions set forth in paragraph (a) of this section is met, the PBGC will determine whether the participant is entitled to a benefit on the basis of the provisions of the plan and the circumstances of the case.

EFFECTIVE DATE NOTE: At 76 FR 34602, June 14, 2011, § 4022.4 was amended by removing “date of the termination” and adding in its place “termination date” in paragraph (a)(1); revising paragraph (a)(2) and adding paragraph (c), effective July 14, 2011. For the convenience of the user, the added and revised text is set forth as follows:

§ 4022.4 Entitlement to a benefit.

(a) * * *

(2) The benefit is payable in an optional life-annuity form of benefit that the participant or beneficiary elected on or before the termination date of the plan or, if later, the date on which PBGC became statutory trustee of the plan.

* * * * *

(c) In a PPA 2006 bankruptcy termination, “bankruptcy filing date” is substituted for “termination date” each place that “termination date” appears in paragraphs (a)(1) and (3) of this section. In making this substitution for purposes of paragraph (a)(3) of this section, the rule in § 4022.3(b)(2) (dealing with the situation where the condition for entitlement was satisfied between the bankruptcy filing date and the termination date) shall apply.

§ 4022.5 Determination of nonforfeitable benefits.

(a) A guaranteed benefit payable to a surviving beneficiary is not considered to be forfeitable solely because the plan provides that the benefit will cease upon the remarriage of such beneficiary or his attaining a specified age. However, the PBGC will observe the provisions of the plan relating to the effect of such remarriage or attainment of such specified age on the surviving beneficiary's eligibility to continue to receive benefit payments.

(b) Any other provision in a plan that the right to a benefit in pay status will cease or be suspended upon the occurrence of any specified condition does not automatically make that benefit forfeitable. In each such case the PBGC will determine whether the benefit is forfeitable.

(c) A benefit guaranteed under § 4022.6 shall not be considered forfeitable solely because the plan provides that upon recovery of the participant the benefit will cease.

§ 4022.6 Annuity payable for total disability.

(a) Except as provided in paragraph (b) of this section, an annuity which is payable (or would be payable after a waiting period described in the plan, whether or not the participant is in receipt of other benefits during such waiting period), under the terms of a

plan on account of the total and permanent disability of a participant which is expected to last for the life of the participant and which began on or before the termination date is considered to be a pension benefit.

(b) In any case in which the PBGC determines that the standards for determining such total and permanent disability under a plan were unreasonable, or were modified in anticipation of termination of the plan, the disability benefits payable to a participant under such standard shall not be guaranteed unless the participant meets the standards of the Social Security Act and the regulations promulgated thereunder for determining total disability.

(c) For the purpose of this section, a participant may be required, upon the request of the PBGC, to submit to an examination or to submit proof of continued total and permanent disability. If the PBGC finds that a participant is no longer so disabled, it may suspend, modify, or discontinue the payment of the disability benefit.

EFFECTIVE DATE NOTE: At 76 FR 34602, June 14, 2011, § 4022.6 was amended by removing “provided in paragraph (b) of” and adding in its place “otherwise provided in” in paragraph (a), and by adding a new paragraph (d), effective July 14, 2011. For the convenience of the user, the added text is set forth as follows:

§ 4022.6 Annuity payable for total disability.

(d) *PPA 2006 bankruptcy termination.* In a PPA 2006 bankruptcy termination, “bankruptcy filing date” is substituted for “termination date” in paragraph (a) of this section.

§ 4022.7 Benefits payable in a single installment.

(a) *Alternative benefit.* If a benefit that is guaranteed under this part is payable in a single installment or substantially so under the terms of the plan, or an option elected under the plan by the participant, the benefit will not be guaranteed or paid as such, but the PBGC will guarantee the alternative benefit, if any, in the plan which provides for the payment of equal periodic installments for the life of the re-

cipient. If the plan provides more than one such annuity, the recipient may within 30 days after notification of the proposed termination of the plan elect to receive one of those annuities. If the plan does not provide such an annuity, the PBGC will guarantee an actuarially equivalent life annuity.

(b)(1) *Payment in lump sum.* Notwithstanding paragraph (a) of this section:

(i) *In general.* If the lump sum value of a benefit (or of an estimated benefit) payable by the PBGC is \$5,000 or less and the benefit is not yet in pay status, the benefit (or estimated benefit) may be paid in a lump sum.

(ii) *Annuity option.* If the PBGC would otherwise make a lump sum payment in accordance with paragraph (b)(1)(i) of this section and the monthly benefit (or the estimated monthly benefit) is equal to or greater than \$25 (at normal retirement age and in the normal form for an unmarried participant), the PBGC will provide the option to receive the benefit in the form of an annuity.

(iii) *Election of QPSA lump sum.* If the lump sum value of annuity payments under a qualified preretirement survivor annuity (or under an estimated qualified preretirement survivor annuity) is \$5,000 or less, the benefit is not yet in pay status, and the participant dies after the termination date, the benefit (or estimated benefit) may be paid in a lump sum if so elected by the surviving spouse.

(iv) *Payments to estates.* The PBGC may pay any annuity payments payable to an estate in a single installment without regard to the threshold in paragraph (b)(1)(i) of this section if so elected by the estate. The PBGC will discount the annuity payments using the federal mid-term rate (as determined by the Secretary of the Treasury pursuant to section 1274(d)(1)(C)(ii) of the Code) applicable for the month the participant died based on monthly compounding.

(2) *Return of employee contributions—*
(i) *General.* Notwithstanding any other provision of this part, the PBGC may pay in a single installment (or a series of installments) instead of as an annuity, the value of the portion of an individual’s basic-type benefit derived from mandatory employee contributions, if:
